

DR. REBECCA HODES

CURRICULUM VITAE

rebecca.hodes@uct.ac.za

EMPLOYMENT HISTORY : ACADEMIC APPOINTMENTS/POSITIONS

PRESENT	Director , AIDS and Society Research Unit, Centre for Social Science Research (University of Cape Town) Senior Research Officer (equivalent of Senior Lecturer within the University of Cape Town's 'research stream'), Humanities Faculty, University of Cape Town Fellow , Department of Social Policy and Intervention (Oxford University) Principal Investigator , Mzantsi Wakho study (2013-present) Co-Investigator , HEY BABY (Helping Empower Youth Brought up in Adversity with their Babies and Young children) research study (2018-2021).
2012-2013	Research Associate , AIDS and Society Research Unit, Centre for Social Science Research (University of Cape Town) Postdoctoral Fellow , Institute for Humanities in Africa (University of Cape Town)
2010-2012	Deputy Director , AIDS and Society Research Unit, Centre for Social Science Research (University of Cape Town) Postdoctoral fellow , Faculty of Health Sciences (University of Cape Town)
2005-2008	D.Phil, History of Medicine , Wellcome Unit for the History of Medicine, History Faculty (Oxford University)

EMPLOYMENT HISTORY: POLICY AND ADVOCACY WORK

Course co-convenor, Implementing South Africa's National Adolescent and Youth Health Policy. Focus: Training healthcare and social service providers to implement the objectives of South Africa's National Adolescent and Youth Health Policy, with a focus on youth programming and social protection (Training course convened by the London School of Hygiene and Tropical Medicine and the Desmond Tutu Foundation, South Africa) (2017 – 2018).

Lead author, [South Africa's National Adolescent and Youth Health Policy](#) (South Africa's National Department of Health, Pretoria, Republic of South Africa, 2017). Focus: Researching, drafting and finalising a comprehensive national adolescent and youth health policy, in consultation with South Africa's National Department of Health, UNFPA, provincial health officials and agencies, and youth (2015 – 2017).

Evaluation Manager, Stop Stockouts Programme, IMC Worldwide and Clinicians Society of Southern Africa for the United Kingdom Department for International Development. Focus: Analysing the causes of essential medicines stockouts in public health facilities, and mapping the responses of healthcare providers and patients to stockouts (South Africa, 2016 - 2017).

Project manager, *Médecins Sans Frontières* (MSF). Focus: Research and writing for the South African National AIDS Council and National Department of Health to update and improve South Africa's National Strategic Plan on HIV and AIDS, TB and Sexually Transmitted Infections (2011).

Lead Researcher, Developmental Leadership Programme. Focus: Providing practical recommendations for international agencies on funding sustainable social development for women's equality and rape law reform in Southern Africa (2010).

Lead consultant, Farm Radio International. Focus: Reviewing gendered components of programming, and promoting gender equality through new content and messaging (2010 – 2011).

Consultant, Grassroots Soccer. Focus: Designing and promoting curricula for gender equality in South African secondary schools (2010).

Director, Treatment Action Campaign's Policy, Communication and Research Department. Focus: Conducting research, writing policy, and communicating with government and partner organisations to facilitate better access to HIV/TB medicines in South Africa (2008-9).

EDUCATION AND QUALIFICATIONS

2005-2008 **Oxford University**, D.Phil in the History of Medicine (sub-focus: African Studies), Wellcome Unit for the History of Medicine, History Faculty. Thesis topic: "'*Siyayinqoba/Beat It!*': A History of HIV/AIDS on South African Television' (supervised by Professor William Beinart).

2004-2005 **Oxford University**, M.Sc in the History of Medicine, Science and Technology, Wellcome Unit for the History of Medicine, History Faculty (Class 1: Distinction)

2003 **Rhodes University**, B.A Honours in History, Department of History, Humanities Faculty (Class 1: Distinction)

2000-2002 **Rhodes University**, B.A. Humanities Faculty (Class 1: Distinction)

LANGUAGES

Fluent in English and Afrikaans, conversant in Spanish, literate in Hebrew.

HONOURS, PRIZES AND NOMINATIONS

- Nomination for Alan Pifer award (UCT's highest academic honour), by the Director of the Centre for Social Science Research and the Dean of Humanities, Humanities Faculty, University of Cape Town (2018)
- National Research Foundation Postdoctoral Fellowship (2014)
- American Council of Learned Societies, African Humanities Program Fellowship (2013)
- University of Cape Town, Mellon Postdoctoral Fellowship (2013)
- National Research Foundation, Postdoctoral Fellowship (2013)
- Dartmouth University fellowship in the Leslie Centre for the Humanities Institute (2012)
- Brown International Advanced Research Institutes Scholarship for the 2012 Global Health and HIV/AIDS Programme: Cutting Edge Issues for Undeserved Populations (2012)
- South African National Research Foundation Postdoctoral Scholarship (2012)
- University of Cape Town, Department of Public Health and Family Medicine, Faculty of Health Sciences, Postdoctoral Scholarship (2012)
- University of Cape Town Humanities Postdoctoral Fellowship (2011)
- HIV in the Humanities and Social Sciences Conference scholarship (2011)
- The Lancet and the Global Forum for Health Research, Young Health Researcher (2010)
- Irmgard Coninx Foundation Conference Scholarship (2010)
- One of the Mail and Guardian's '200 Young South Africans you must take out to lunch' (2010)
- International AIDS Society (IAS) Scholarship, Operational Research Professional Development Programme (2009)
- Oppenheimer Fund Scholarship (Oxford University) (2007)
- Balliol College Grant (Oxford University) (2007)
- Oxford Research Network on Government in Africa Research Funding (Oxford University) (2007)
- Oppenheimer Fund Scholarship (2005)
- Skye Foundation Scholarship (2005)
- Balliol College Grant (2005)
- The Margaret Flanagan Scholarship (Rhodes University) (2004)
- Andrew Mellon Foundation Honours Post-Graduate Scholarship (2003)
- Rodney Davenport History Scholarship (2003)
- Dr. Kendall Bursary; and Ernst and Ethel Erntzen Trust Scholarship (2003)
- Henderson post-graduate Honours Scholarship (Rhodes Honours Degree Scholarship) (2003)
- Academic Honours (Rhodes University) (2003)

- Rhodes and Rhodes Governors' Scholarships (highest results in the Humanities Faculty, Rhodes University) (2002)
- Winifred Maxwell Prize for History (Rhodes University) (2001)

RESEARCH GRANTS

- 2019-2020: **Desmond Tutu HIV Foundation** at the University of Cape Town and **CONRAD Foundation**. US\$17,500. Principal Investigator. Promoting adherence to antiretroviral treatment through a pharmaceutical pictograph for youth in South Africa's public health sector.
- 2018-2021: **Medical Research Council UK**. £787,520. Co-Investigator. From Stop to Go! Overcoming barriers to healthcare utilisation for high-risk adolescent mothers and their children in Southern Africa.
- 2019-2022: **European Research Council**. £1,999,990. Co-Investigator. Helping Empower Youth Brought up in Adversity with their Babies and Young children (HEY BABY).
- 2017-2019: **ELMA Philanthropies**. ZAR 1,098,020. Principal Investigator. Strengthen Research Capacity within Paediatric Adolescent Treatment for Africa.
- 2017: **Janssen Pharmaceutica**, South Africa. ZAR346,571.40. Principal Investigator. Perspectives of healthcare providers and adolescent experiences of clinic services in the Eastern Cape, South Africa.
- 2017: **Wellcome Trust Small Grant**, ZAR80,000. Co-investigator. 'Pharmaceutical Humanities in Africa'.
- 2017: **Humanities Faculty Block Grant**, University of Cape Town, ZAR20,000.
- 2016-2018: **Janssen Pharmaceutica**, Netherlands. €250,000. Principal Investigator. Promoting adolescent ARV Adherence and Sexual Reproductive Health Access in South Africa.
- 2016: **UNICEF South Africa**, Country award research grant. ZAR 1,329,806. Principal Investigator.
- 2015-2017: **Evidence for HIV Prevention in Southern Africa** (UKAID/DFID-funded programme). £818,642.70. Principal Co-Investigator. The missing link in HIV prevention: Helping HIV-positive adolescents to reduce transmission in Southern and Eastern Africa.
- 2014-2018: **The Nuffield Foundation**, United Kingdom. £583,287.00. Co-Investigator. 'Pathways to survival: identifying psychosocial, family and service mechanisms to improve antiretroviral adherence amongst HIV+ adolescents in South Africa'.
- 2015-2016: **Regional Inter-Agency Task Team for Children Affected by AIDS – Eastern and Southern Africa**. ZAR444,259.00. Co-Investigator.
- 2015: **Janssen Global Health Programme**. €80,000. Principal Investigator. Promoting adolescent ARV Adherence and Sexual Reproductive Health Access in South Africa.
- 2015: **Kaplan Centre** for Jewish Studies, University of Cape Town. R30,000.
- 2013: **International AIDS Society**, Collaborative Initiative for Paediatric HIV Education and Research Grant. USD145,310. Principal Investigator.

PUBLICATIONS ACCEPTED AND FORTHCOMING OR UNDER PEER REVIEW

Rebecca Hodes, 'Pharmatrash in South Africa: A Contemporary History of Democracy's Detritus', *South African Historical Journal* (peer-reviewed and accepted for publication, forthcoming 2019).

Rebecca Hodes, BethVale and Elona Toska, 'The *misclosure* of an adolescent's HIV-status', chapter in 'Connected Lives: Families, Households, Youth and Risk' (co-edited by Nolwazi Mkhwanazi and Lenore Manderstam), Human Sciences Research Council Press, forthcoming 2019.

Rebecca Hodes, 'The social grants shopping basket', chapter in 'Connected Lives: Families, Households, Youth and Risk' (co-edited by Nolwazi Mkhwanazi and Lenore Manderstam), Human Sciences Research Council Press, forthcoming 2019.

Nompumelelo Zungu, Elona Toska, **Rebecca Hodes** and Lesley Gittings, 'New Horizons in Programming for Adolescents Living with HIV in Eastern and Southern Africa: The case for Social Protection as Positive Prevention', chapter forthcoming in an edited volume on 'HIV and adolescents in Southern Africa' (co-edited by Kaymarlin Govender).

Lesley Gittings, **Rebecca Hodes**, Chris Colvin and Nompumelelo Zungu, 'Things less spoken: HIV research with adolescent boys and young men – implications for theory, policy and practice', chapter forthcoming in an edited volume on 'HIV and adolescents in Southern Africa' (co-edited by Kaymarlin Govender).

Lucie Cluver, **Rebecca Hodes** et al., 'Nothing about us without us: Methodological and ethical issues from a decade of adolescent advisory groups in South Africa, Uganda and Sierra Leone', co-authored article submitted to *AIDS Care* in 2019, under peer-review.

Ameena Goga, **Rebecca Hodes**, Lesley Bamford, Ute Fecht, Leigh Johnson, Gail Sherman, Kimberley Perez, Yogan Pillay and Mary-Anne Davies, 'Preventing and treating paediatric HIV infection in South Africa: Progress and remaining challenges', co-authored article submitted to the *South African Medical Journal* in 2019, under peer-review.

Rebecca Hodes, Luann Hatane, Lesley Gittings, Agnes Ronan, Samantha Malunga, Lucie Cluver, Daniella Mark, Elona Toska, Roxanna Haghghat and Kim Bloch, 'Adherence misfits? Divergent perspectives on ART-defaulting among HIV-positive adolescents, their caregivers and healthcare workers', article in draft for journal submission in 2019.

TEACHING EXPERIENCE

Supervisor of graduate students (including Honours, Masters, Doctoral and Post-Doctoral students), University of Cape Town (2013-2019). Total number of students supervised and graduated: 4 Honours students (Department of Historical Studies); two Master's students (Sociology and Social Policy); one doctoral student (currently under supervision, AIDS and Society Research Unit); and one postdoctoral fellow (AIDS and Society Research Unit). I have also 'guest supervised' Master's and doctoral students whose primary affiliations have been with Oxford University (Department of Social Policy and Intervention) and the University of Florida (History Department). I continue to serve as a Faculty Member of the Social Sciences of HIV/AIDS in Southern Africa programme, hosted by the UCT's Faculty of Health Sciences and Brown University's Department of Public Health. In this capacity, I mentor and supervise graduate students researching HIV/AIDS in Southern Africa.

Lecturer and course co-convener, 'Implementing South Africa's National Adolescent and Youth Health Policy' (focus on the history of youth programming and social protection), University of Cape Town's Faculty of Health Sciences (course conducted in 2017 and repeated in 2018 and 2019)

Lecturer and course Convener, 'The Histories of Science, Race and Sex in the HIV/AIDS Epidemic', University of Cape Town's International Academic Programmes Office ('semester abroad' course for international students), University of Cape Town (2018-2020).

Lecturer, 'Empires and Modernities', Department of Historical Studies (core course for History undergraduates), University of Cape Town (2017)

Lecturer and course Convener, 'Science, Race and Sex in South African Medicine' (Special Option for 3rd year Historical Studies students) (2016)

Lecturer and course convener, 'The History of Sex in South Africa' (Special Option for 3rd year Historical Studies students) (2016)

Guest lecturer, 'Sexual and reproductive health in South Africa', (Master's course in the Department of Social Policy and Intervention), Oxford University (2015)

Lecturer and tutor, 'The Holocaust', Department of Historical Studies (core course for History undergraduates), University of Cape Town (2013, 2014)

Lecturer and tutor, 'Political and Cultural Responses to the HIV/AIDS Pandemic in the USA and South Africa', Department of Politics and International Relations, Oxford University (Master's course) (2007)

Lecturer and tutor, Post-Apartheid politics in South Africa' (lecturing and tutoring), Department of Politics and International Relations, Oxford Brookes University (2007)

Tutor, 'History of Africa in the World'; 'Themes in Southern African History'; and 'The World Crisis and its Historical Origins', Rhodes University (2001, 2002 and 2003)

SELECT ADMINISTRATIVE EXPERIENCE

Director of the AIDS and Society Research Unit within the University of Cape Town's Centre for Social Science Research (2013-present). Key administrative roles include:

- Managing current projects and research commitments at an excellent standard
- Providing intellectual and operational leadership for administrative and financial staff, students and researchers.
- Maintaining and strengthening copious partnerships with researchers within the Humanities, Social Sciences and Health Sciences at the University of Cape Town
- Enhancing the Unit's interdisciplinary research profile through conducting and analysing high-quality research; and publishing, presenting and disseminating findings.
- Leading workshops and conferences that focus on HIV social science and that enhance the Unit's research profile and partnerships.
- Arranging and facilitating presentations within the Centre for Social Science Research's weekly seminar series; participating in the Centre's Management Committee; and contributing to Annual Reports and other public dissemination fora (including the website).
- Managing numerous research funds, ensuring financial accountability, and meeting the reporting requirements of various granting agencies at an excellent standard.
- Ensuring good relationships with UCT's Research Contracts and Innovation Department; Human Resources Department and the Humanities Faculty Finance Office

Co-Principal Investigator, Mzantsi Wakho study, Eastern Cape (2013-present). Key administrative roles include:

Intellectual and operational leadership and oversight of approximately seventy staff based in two offices in the Eastern Cape Province, including researchers, project managers and co-ordinators, finance and operations staff, data capturers, dedicated clinics research and dissemination teams, and students; ensuring ethical research conduct; ensuring compliance with financial and operational reporting requirements for a host of research grants

Co-Investigator, HEY BABY study, Eastern Cape (2017-present). Key administrative roles include:

Managing a cohort of five dedicated qualitative researchers, leading study design and implementation, monitoring data quality, translation and integration of qualitative research with quantitative methods and study components, ensuring ethical research conduct; and ensuring compliance with operational and financial reporting requirements for a host of research grants

Director, Policy, Communications and Research Department, Treatment Action Campaign (2009-2010). Key administrative roles included: Lead administration of the Department with staff in seven provinces and a national base in Cape Town, with a staff complement of 15-20. Reporting to the Treatment Action Campaign's executive committee and advisory board. Management of large research and advocacy grants, including from the Global Fund to Fight AIDS, Tuberculosis and Malaria. Oversight of publications and press relations, including press statements, media briefings and digital and print communications.

PROFESSIONAL ACTIVITIES: SELECT PRESENTATIONS

'Kasi curriculum': What young men learn and teach about sex in a South African township (with Lesley Gittings). Launch of special edition of *Sex Education* and colloquium on 'Sex, Sexualities and Sex Education in South Africa', University of KwaZulu-Natal, Durban, 2-3 July 2019.

Dreaming of and becoming parents: Findings from the Mzantsi Wakho and HEY BABY Studies (with Elona Toska). Women's Health Research Unit, Faculty of Health Sciences, University of Cape Town, Cape Town, 20 June 2019.

Pharmatrash: A contemporary history of democracy's detritus, States of Dis-Ease Conference, Johannesburg Institute for Advanced Studies, University of Johannesburg, Johannesburg, 28 March 2019.

'Adherence misfits'? Medicines-taking among South African youth. Division of Infectious Diseases and HIV Medicine, Department of Medicine, University of Cape Town, Cape Town, 29 March 2019.

New adventures in HIV social science in South Africa, Desmond Tutu HIV Centre, Faculty of Health Sciences, University of Cape Town, Cape Town, 1 March 2019.

Innovations in research with HIV-positive adolescents: Emerging findings from the Mzantsi Wakho study (co-presented with Lucie Cluver and Elona Toska), Southern African Development Committee, Meeting of National AIDS Council Chairs and Health Ministers, Johannesburg, 12 April 2018.

Risky moves: HIV transmission and acquisition among adolescents – emerging findings from the Mzantsi Wakho study, Wellsexuality symposium, Wits Institute for Social and Economic Research, University of the Witwatersrand, 8 March 2018.

Pesky metrics: The challenges of measuring ART adherence among HIV-positive adolescents, Centre for Social Science Research, University of Cape Town, 20 February 2018.

Pharmatrash: The social life of medical waste in a South African health district, Pharmaceutical Humanities in Africa Workshop, University of Johannesburg, 10 November 2017.

Adolescents, Relationships and Interactions with Peers, plenary presentation, International Workshop on HIV in Adolescents, Johannesburg, 6 October 2017.

A meal of medicines: Why eating sweets is different to taking medicines, plenary presentation, summit of Paediatric Adolescent Treatment Alliance: 'Delivering on the frontline', Johannesburg, 25 October 2017.

Researching HIV beyond clinics and campuses, symposium on 'Community Care' in HIV social science, Stellenbosch University Institute for Advanced Study, University of Stellenbosch, 21 November 2016.

Yummy or crummy: The multidimensional experience of ART adherence among adolescents, HOPE Nursing Conference webinar, Harvard School of Public Health, 12 October 2016.

Researching ART adherence among adolescents: Emerging findings from the Mzantsi Wakho study, Medicines Research Council, Durban, 3 October 2016.

Foreign bodies: Contraceptive implants in South Africa's past and present, 'Drug regimes: The making of a Southern African pharma-nation', African Studies Association UK Conference, Cambridge University, 9 September 2016.

Mzantsi Wakho: Combination prevention for promoting health among HIV-positive adolescents, Evidence for HIV Prevention in Southern Africa, South African Department of Health's Technical Forum on Adolescents, Cape Town, 20 September 2016.

Researching adolescents' ART adherence and sexual health outside clinical contexts, 'Every mother, every child: Closing the gaps in HIV management', International AIDS Conference, Durban, 20 July 2016.

ART defaulting and sexual risk-taking among adolescents: Findings from the Mzantsi Wakho study, International AIDS Society Satellite, 'Clinical Models of HIV Care for Adolescents', International AIDS Conference, Durban, 18 July 2016.

'No magic carpet ride': Challenges in antiretroviral treatment and sexual health among HIV-positive teenagers in South Africa – preliminary findings from the Mzantsi Wakho study, Southern African AIDS Conference, Durban, 10 June 2015.

Social protection for HIV prevention: The Mzantsi Wakho study on adolescents in the Eastern Cape, HIV Prevention Southern Africa Symposium, Durban, 8 June 2015.

Sex and secrecy: Knowledge of HIV status, disclosure and sexual practices among HIV-positive adolescents in South Africa (with Elona Toska), Centre for Social Science Research, University of Cape Town, 24 March 2015.

The Mzantsi Wakho Study: HIV+ Teens in South Africa – a UCT/Oxford Research Collaboration (with Lucie Cluver), presentation to UCT and Oxford Vice-Chancellors, University of Cape Town, 26 March 2015.

Promoting adolescent antiretroviral adherence and sexual and reproductive health: Interim findings from the Mzantsi Wakho study in the Eastern Cape of South Africa, 'Surviving and Thriving: Children, Adolescents and HIV', International AIDS Society Conference', Melbourne, Australia, 23 July 2014.

ART adherence and sexual health use among HIV-positive teenagers in the Eastern Cape of South Africa: Interim findings from the Mzantsi Wakho study, International Workshop on HIV Pediatrics, Melbourne, Australia, 18 July 2014.
